CHAIRMAN'S MESSAGE

Education is the passport to the future, for tomorrow belongs to those who prepare for it. We had a dream. And we have managed to live that dream with the inception of Adarsh Group of Institutions. It gives me immense pleasure in welcoming you to one of the finest research-led, technology powered, 21st century Institutions of India. We have everything a student looks for in a world-class Institutions. We consistently endeavour to transform every student into a future-ready professional.

We understand that a 21st century world needs a 21st century education driven by innovative technologies. At Adarsh Foundation, we harness the power of cutting-edge technologies in addition to offering a bouquet of world-class amenities to students for shaping their tomorrow, today. We take immense pride in grooming and providing future leaders to India and the world.

It is a step in the right direction. The vision and mission of Adarsh Group of Institutions are perfectly aligned to the Digital India and Skill India initiatives of the Government of India. Come, become a part of this education revolution and embark on the journey to excellence.

Mr. Vilas Gavit

Chairman & Managing Director, Adarsh Foundation

AIPS PRINCIPAL'S MESSAGE

“Welcome to Adarsh Institute of Paramedical Sciences, an esteemed institution dedicated to fostering excellence in paramedical education, research, and practice. Located in the vibrant city of Navapur, our institute stands as a beacon of innovation

At Adarsh Institute of Paramedical Sciences, we pride ourselves on our commitment to providing a holistic learning experience that prepares our students to excel in the dynamic world of paramedical. Our comprehensive curriculum is designed to instill both theoretical knowledge and practical skills, equipping our graduates with the tools they need to thrive in their careers.

One of our greatest assets is our distinguished faculty, comprised of accomplished researchers, industry experts, and experienced practitioners. They not only impart knowledge but also serve as mentors, guiding our students towards academic and professional success.

In addition to our world-class faculty, we boast state-of-the-art facilities that facilitate hands-on learning and cutting-edge research. From well-equipped laboratories to modern classrooms, our infrastructure is designed to support the diverse needs of our students and faculty members.

Furthermore, our institute is committed to fostering a culture of innovation and research excellence. Through collaborative projects, industry partnerships, and interdisciplinary initiatives, we encourage our students and faculty to push the boundaries of pharmaceutical science and contribute meaningfully to the advancement of healthcare.

Whether you aspire to pursue a career in paramedical research, clinical practice, regulatory affairs, or academia, Adarsh Institute of Paramedical Sciences offers the resources, support, and opportunities you need to achieve your goals.

Join us in our mission to redefine the future of paramedical education and make a positive impact on global healthcare. Welcome to Adarsh Institute of Paramedical Sciences, where excellence meets innovation.”

Ms. Jyotiben Vasava

Principal, AIPS

VISION

“Vision without mission is a daydream”

To facilitate the youth, especially the first generation learners to take up industry relevant skill training that will help them in securing a better livelihood, consequently enhancing the economy of the nation.

To acquire a holistic approach creating a niche eco-system furnishing innovative solutions for emerging challenges that facilitates society and region with indigenous remedies and strategies, manage and motivate delivery of impeccable quality with global standards.

“ Mission without vision is a nightmare.”

MISSION

ABOUT ADARSH FOUNDATION

Adarsh Foundation has been illuminating lives through education over the last one decade. Our active contributions towards the realms of Paramedical Sciences, Commerce & Management, Design, Nursing, Science, Hospitality, Humanities & Social Sciences, Engineering & Computer Science and Technology Programmes have helped shape many successful careers.

Our colleges are among the best colleges in Maharashtra and the prestigious affiliations with the TISS & MSBSVET, Mumbai bear testimony to this fact. With our education system that matches global standards, we endeavor to give a rewarding and fulfilling experience to our students. The best education leads to all-round development of an individual.

We also stress on the importance of extra-curricular activities and conduct various sports and cultural events through the year. Comprehensive development is achieved with strong emotional quotient and personal grooming.

OFFERED COURSES (Paramedical Sciences - Regular & Skill Based Programmes)

PG DIPLOMA IN MEDICAL LAB. TECHNOLOGY (PGDMLT)

Medical Laboratory Professionals work in all areas of a clinical laboratory including blood banking, clinical bio-chemistry, hematology, immunology, histopathology & medical microbiology. They perform a full range of laboratory tests, from simple prenatal blood tests to more complex tests that uncover the diseases. They are also responsible for the accuracy of test results and reporting laboratory findings.

B.Sc. IN MEDICAL LABORATORY TECHNOLOGY (B.Sc. MLT)

A graduate of BSc. in Medical Laboratory Technology is an all-rounder as far as technologies in a medical laboratory is concerned. The course envisages to build in an overall expertise in the student, of performing medical laboratory tests, whether its routine or special tests. The students would be capable of performing a range of tests such as those related to phlebotomy, clinical biochemistry, haematology, serology, cytogenetics, etc. Besides, skills related to lab management and ethics, biomedical waste disposal, personality development, effective communication skills, attitude of health care workers etc.

B.Sc. IN MEDICAL IMAGING TECHNOLOGY (B.Sc. MIT)

B.Sc. in Medical Imaging Technology is an undergraduate Medical Imaging Technologist course. Medical Imaging is the technique and process of creating visual representations of the Interior of Human Body (i.e. Anatomy) as well as visual representation of the function of some organs or tissues (i.e. Physiology) used for Clinical Analysis and Diagnosis of Medical Intervention.

DIPLOMA IN MEDICAL LABORATORY TECHNOLOGY (DMLT)

Medical Laboratory Professionals work in all areas of a clinical laboratory including blood banking, clinical bio-chemistry, hematology, immunology, histopathology & medical microbiology. They perform a full range of laboratory tests, from simple prenatal blood tests to more complex tests that uncover the diseases. They are also responsible for the accuracy of test results and reporting laboratory findings.

Courses Recognized by Maharashtra Paramedical Council, Mumbai as per MPMC Schedule Act

PART TIME (EXTERNAL) PROGRAMMES FOR WORKING PROFESSIONALS & STUDENTS

SCIENCE

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Science (B.Sc.) - Microbiology	40	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.
Bachelor of Science (B.Sc.) - Chemistry	40	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.
Master of Science (M.Sc.) - Microbiology	30	2 Yrs.	Candidates should have passed B.Sc. with a minimum of 55% marks in relevant subjects from a recognized board.
Master of Science (M.Sc.) – Organic Chemistry	30	2 Yrs.	Candidates should have passed B.Sc. with a minimum of 55% marks in relevant subjects from a recognized board.

ENGINEERING & TECHNOLOGY

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Master of Technology (M.Tech.)	20	2 Yrs.	Candidates should have passed graduation with minimum of 50% marks or equivalent in the related/allied field.
Bachelor of Technology (B.Tech.) Civil Engineering / Mechanical Engineering / Electronics & Communication Engineering / Electrical Engineering)	30, 30, 30, 30	4 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam from a recognised board including Physics, Mathematics and either Chemistry or Computer science subjects (PCM) combined
Bachelor of Science (B.Sc.) – Fire & Safety	30	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.
Diploma in Engineering (Polytechnic) Civil Engineering / Mechanical Engineering / Electronics & Communication Engineering / Electrical Engineering)	40, 40, 40, 40	3 Yrs.	Candidates should have passed 10 with a minimum of 50% marks or equivalent from a recognized board.

COMMERCE & MANAGEMENT

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Master of Business Administration (MBA)	20	2 Yrs.	Candidates should have passed graduation with minimum Of 50% marks or equivalent.
Master of Commerce (M.Com.)	20	2 Yrs.	Candidates should have passed graduation with minimum Of 50% marks or equivalent in the related field.
Bachelor of Business Administration (BBA)	20	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.
Bachelor of Commerce (B.Com.)	20	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.

COMPUTER SCIENCE & TECHNOLOGY

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Master of Computer Applications (MCA)	20	2 Yrs.	Candidates should have passed graduation with minimum Of 50% marks or equivalent.
Master of Technology (M.Tech.)	30	2 Yrs.	Candidates should have passed graduation with minimum Of 50% marks or equivalent in the related field.
Master of Science (M.Sc.) Computer Science / Information Technology	20	2 Yrs.	Candidates should have passed B.Sc. with a minimum of 50% marks or equivalent from a recognized university.
PGDCA	20	1 Yr.	Candidates should have passed graduation with minimum Of 50% marks or equivalent.
Bachelor of Computer Applications (BCA)	40	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.
Bachelor of Technology (B.Tech.) CSE / Artificial Intelligence	20	4 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.
Bachelor of Science (B.Sc.) Computer Science / Information Technology	20	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.

DESIGN

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Science (B.Sc.) Fashion Design / Interior Design	30	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent from a recognized board.

HUMANITIES & SOCIAL SCIENCES

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
